# DIRECTOR MESSAGE

Dear Juju Family,

As the month of June draws to a close, we are filled with joy and pride reflecting on the beautiful beginnings of a new academic year. June marked a fresh start — new faces, new routines, and new friendships blossoming within our Juju family.

From the warm welcome on the first day of school to the energy of our Yoga Day celebrations and the vibrant joy of Red Day, June has been a month of discovery, laughter, and heartwarming moments. Our little stars have quickly adapted to their classroom environments, embraced new learning experiences, and shown incredible enthusiasm in every activity.

We are grateful to witness their growing confidence, curious minds, and joyful spirits each day. A heartfelt thank you to all our parents for your continued trust, cooperation, and support in helping us create a safe, nurturing, and happy learning space for your children.

Let us carry this wonderful energy into the coming months, as we continue to learn, play, and grow together.

Wishing you a bright and cheerful July ahead!

# OVERVIEW

The academic year began with cheerful energy as children walked in with bright eyes and eager hearts. Our welcoming activities, interactive play zones, and classroom bonding moments helped our little ones settle quickly and comfortably into the school environment.

Children participated enthusiastically in Yoga Day celebrations. Simple yoga postures, breathing exercises, and mindful moments were introduced in a fun and age-appropriate way. The day promoted the importance of healthy living and inner balance from a young age.

Our first colour day of the year was filled with excitement! Dressed in vibrant red outfits, children brought red objects, participated in red-themed activities, and enjoyed creative crafts and stories related to the colour. It was a great sensory and thematic learning experience.

Celebrating Father's Love – A Month of Memorable Moments at Juju!

"Dads are our first heroes, and this June, we made sure to celebrate them with all our hearts!"

To honour the incredible role fathers play in their children's lives, Juju International Preschool organized a joyful Parent-Student Activities in the month of June, tailored to each age group:

## Play Group – Tea Pouring Ceremony:

Our tiniest tots experienced the joy of serving with love as they poured tea for their dads in a sweet bonding activity. The proud smiles on the dads' faces made it a truly touching moment!

## Nursery – Palm Print Keepsake

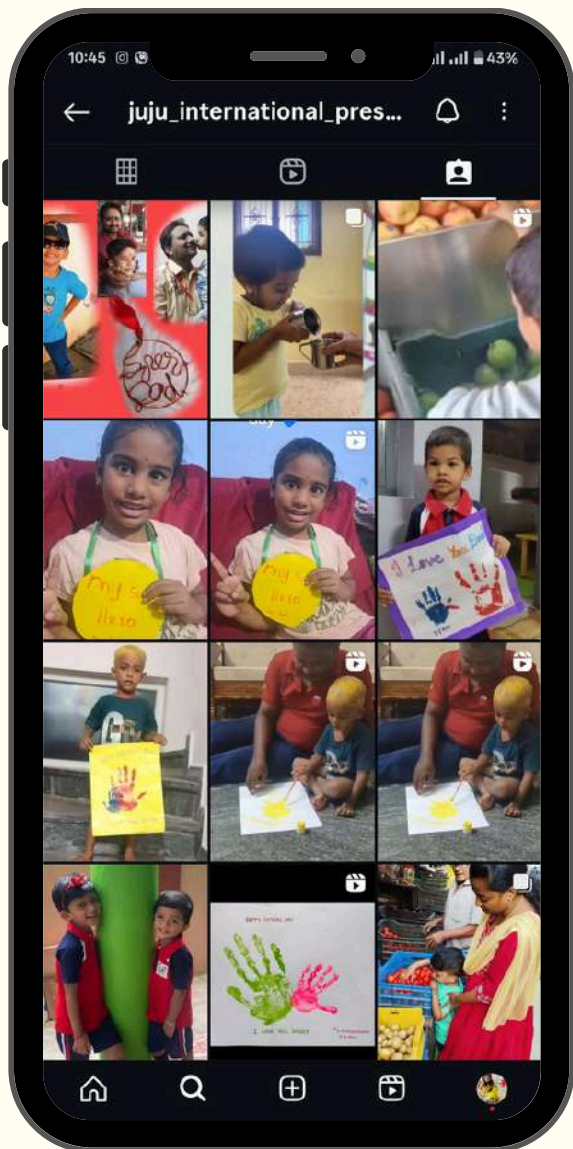

With colorful palms and big grins, Nursery kids created palm print art as a keepsake for their fathers. These tiny prints spoke volumes about the big love they hold.

## Junior KG – Day Out to Market with Dad

JKG children enjoyed a mini-exploration as they had a fun outing to the local market with their fathers. Together, they learned, laughed, and shared precious time while buying simple groceries.

## Senior KG – Medal Making for Dad

Our senior most kids got creative with craft materials to make a "Best Dad" medal, proudly presenting them as tokens of love and appreciation. The joy of gifting and expressing gratitude shone bright on every child's face.

Each activity was not just about celebration but also about creating lasting memories and emotional bonds between fathers and their little ones. At Juju, we believe these shared experiences shape happy hearts and confident learners.

I LOVE  
you
