JUJU INTERNATIONAL PRESCHOOL

ABOUT US

At Juju International Preschool, we believe that early childhood is a magical time of discovery, growth, and endless possibilities. Our preschool is dedicated to nurturing young minds in a safe, joyful, and inspiring environment where every child feels valued and empowered.

Guided by a team of passionate educators and caring staff, we foster creativity, curiosity, and confidence through engaging activities and a holistic curriculum that blends academics, play, and social-emotional learning. We strive to partner with parents and families to create a strong foundation for lifelong learning and success.

Together, let's shape a brighter future, one little step at a time.

DIRECTOR MESSAGE

Dear Juju Family,

As we wrap up the month of July, our hearts are filled with joy seeing how beautifully our little ones continue to settle into the rhythm of school life. This month has been a delightful blend of creativity, colour, and connection — a true celebration of early childhood learning.

Our Blue Day brought a calming charm across the campus, with children joyfully exploring the theme through colours, dress-up, and hands-on activities. The Colouring Contest gave our young artists a chance to express their imagination, and their vibrant artworks truly lit up our walls! One of the most cherished moments was the Parent-Student Activity based on the theme "My Family & My House", where togetherness, storytelling, and joyful bonding took center stage.

Each activity this month has been a step toward building confidence, communication, and emotional connections among our children. Their smiles, laughter, and creative spark inspire us every single day.

We extend our heartfelt thanks to all parents for your constant encouragement and partnership. Your presence in your child's learning journey means the world to us.

As we look forward to another month filled with exciting opportunities, let's continue to grow, explore, and create beautiful memories together.

Wishing you a joyful and inspiring August ahead!

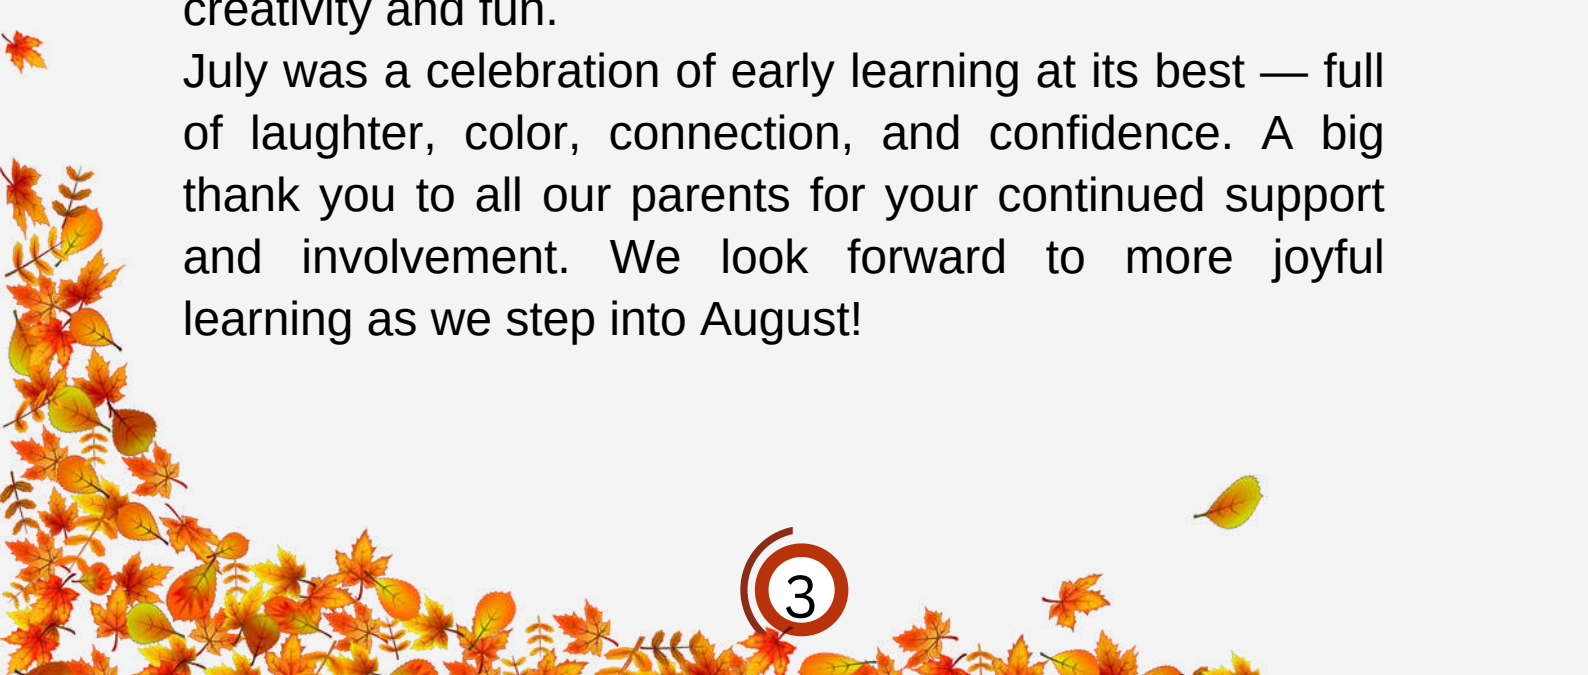

OVERVIEW

The month of July at Juju International Preschool was filled with joyful experiences, hands-on learning, and vibrant expressions of creativity. As our children continue to adapt confidently to their school environment, each activity this month brought new opportunities to explore, express, and enjoy.

We kicked off the month with our delightful Blue Day Celebration, where children explored the color blue through themed dress-ups, creative tasks, and fun-filled activities. The Colouring Contest gave our little artists a chance to bring their imagination to life using colors, shapes, and patterns.

One of the most memorable highlights was our Parent-Student Activity, centered around the theme “My Family & My House.” Parents and children came together for interactive, hands-on sessions like art and craft, model making, and role play, strengthening their bond through creativity and fun.

July was a celebration of early learning at its best — full of laughter, color, connection, and confidence. A big thank you to all our parents for your continued support and involvement. We look forward to more joyful learning as we step into August!

BLUE DAY

COLOURING CONTEST BRINGS OUT LITTLE ARTISTS AT JUJU!

Our little artists at Juju International Preschool turned their imagination into beautiful colours during the Colouring Contest held on July 7th.

With bright crayons and creative minds, children from Play Group to Senior KG filled their sheets with joy and vibrance.

The atmosphere was buzzing with enthusiasm as tiny hands moved with focus and fun. The contest encouraged creativity, fine motor development, and joyful participation.

Just like bees that work happily and busily, our children were completely engaged — filling their sheets with bright hues, joyful strokes, and boundless creativity. From tiny fingers gripping crayons to focused expressions on little faces, every child truly brought the spirit of joyful learning alive!

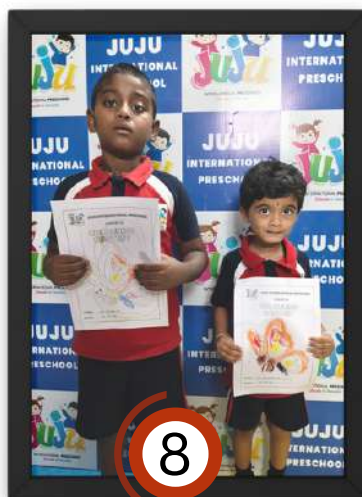

Juju International Preschool turned into a joyful land of colours as our colour explorers dived into a world of crayons, imagination, and smiles during our much-awaited Colouring Contest!

Like rainbow makers on a mission, our tiny tots moved from colour to colour, filling blank sheets with life and laughter. Their crayons danced across the paper, crafting vibrant stories from their little hearts.

Our Little Picassos brought pages to life, while Crayon Wizards cast magical strokes in every direction. It was a day filled with joy, colours, and imagination — where every child became a Colour Storyteller of their own vibrant world!

Like happy raindrops of creativity, our children splashed colours across their sheets, filling the room with energy, imagination, and excitement. With every stroke, they expressed their unique thoughts, bringing blank pages to life with confidence and joy.

BLUE DAY

CELEBRATION

To foster early color recognition and add a splash of fun to learning, Juju International Preschool celebrated Blue Day with enthusiasm and vibrant creativity. The entire school was beautifully adorned in a sea theme—creating an immersive oceanic experience for our little ones.

Our outer and inner soft boards were transformed into a magical underwater world with blue waves, sea creatures, and marine décor. A special photo booth was set up outside the school for kids and parents to capture joyful moments together, while another whale-themed photo booth was arranged inside the campus exclusively for students, adding to their excitement and memories.

Children thoroughly enjoyed these interactive and hands-on activities, reinforcing their understanding of the color blue while engaging in fun and skill-building tasks.

To enhance the learning experience further, a Blue Colour Theme Visual was also played in all classrooms, helping children relate real-world objects and emotions to the color blue.

Children thoroughly enjoyed these interactive and hands-on activities, reinforcing their understanding of the color blue while engaging in fun and skill-building tasks.

The day was not just educational but also filled with joy, creativity, and bonding—a perfect blend of learning through fun. Blue Day at Juju International Preschool truly made a splash in every child's heart!

DOCTORS DAY CELEBRATION

At JUJU International Preschool, we believe in nurturing gratitude and respect in our young learners. On the occasion of Doctors' Day, our little Juju stars came together to honour the real-life superheroes — our doctors, who selflessly care for our health and well-being.

Our dedicated teachers turned into caring doctors for the day, dressing up in white coats and stethoscopes to explain the important role of doctors. Children learned about the various tools in a doctor's kit—from thermometers to bandages—through engaging demonstrations and hands-on exploration.

In the classrooms, a delightful role-play session brought the theme to life! Teachers acted as doctors, while our little ones pretended to be patients—getting their checkups done with giggles and curiosity. The activity sparked joy and helped children understand how doctors care for others.

To add a splash of excitement, our team created a themed photo booth where children wore mini doctor coats and posed confidently with the doctor kits. It was a fun-filled, educational day where learning came alive through pretend play and creativity.

PARENT STUDENT ACTIVITY

At Juju International Preschool, we believe that family is a child's first school. On July 12, 2025, we celebrated that bond with a heartwarming Parent–Student Activity themed “My Family & My House.” Parents joined their children in creating, learning, and laughing together across all grade levels.

Play Group – Family Photo Frame Making

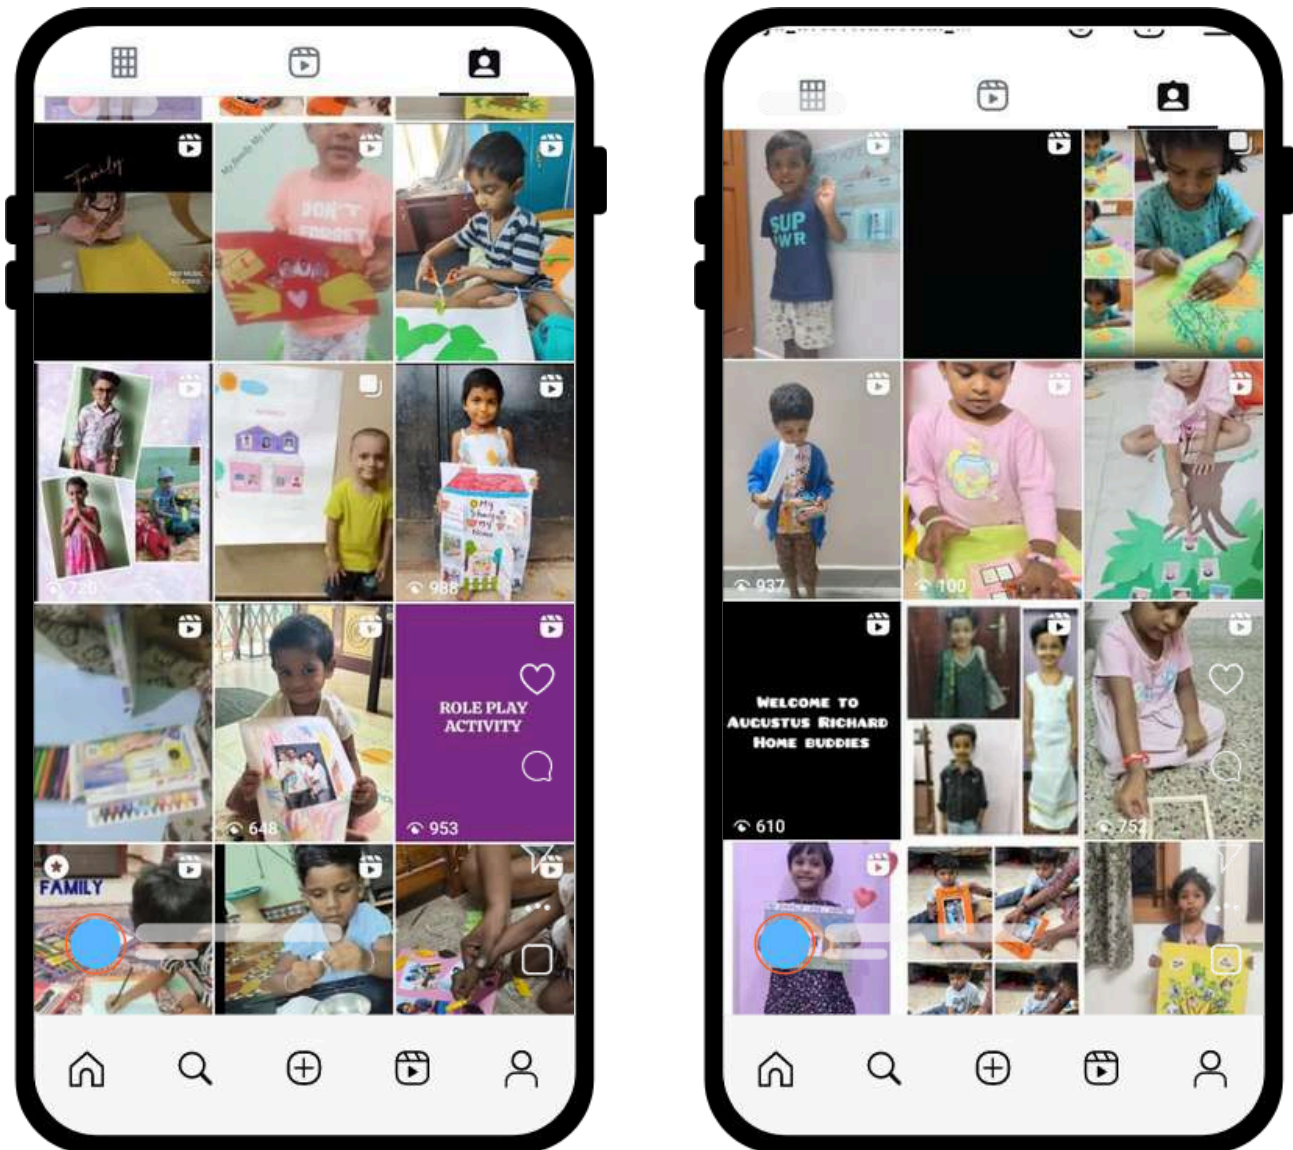

Our tiny tots from Play Group created adorable family photo frames with the help of their parents. Using colourful ice-cream sticks, glitter, and stickers, the children framed their loved ones' photos, learning who's who in their family.

Nursery – “My Home & My Family” Drawing

Nursery children brought their homes and families to life through drawing. Guided by parents, they used crayons and markers to sketch their sweet home, mom, dad, siblings, and even pets!

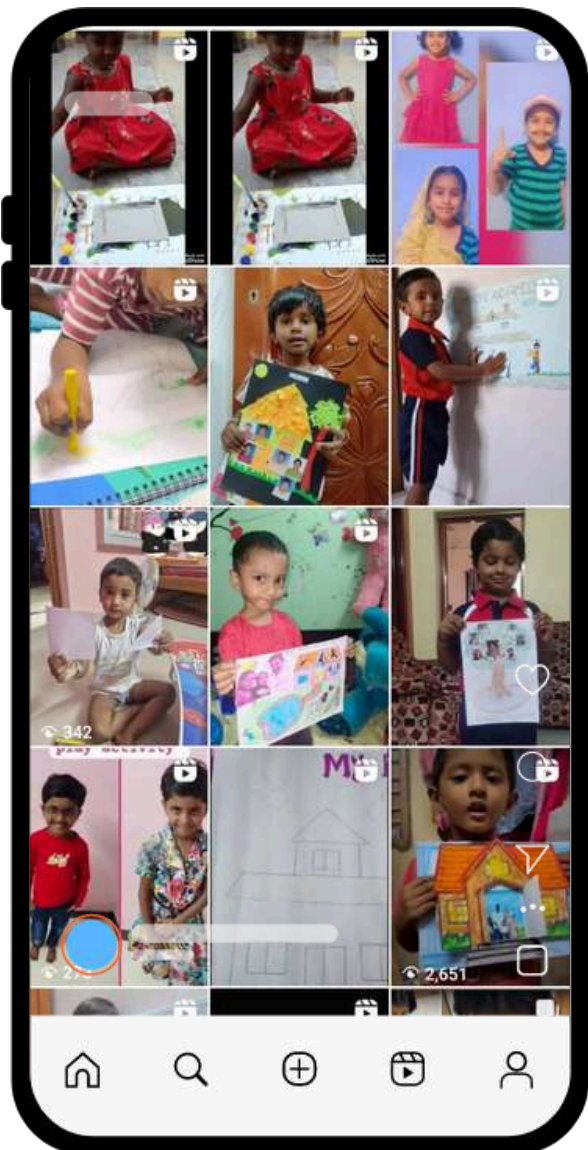

Junior KG – My Family Tree Craft

JKG children proudly presented their Family Trees, sticking photos and drawing faces to show their grandparents, parents, and siblings. The activity helped them understand family relationships and structure, while having fun with their parents.

Senior KG – Role Play: My Family Members

The SKG stars took it one step further with a delightful role play of their family members. Dressed up like Appa, Amma, Thatha, Uncle or Paati, they spoke a few lines to mimic their roles.

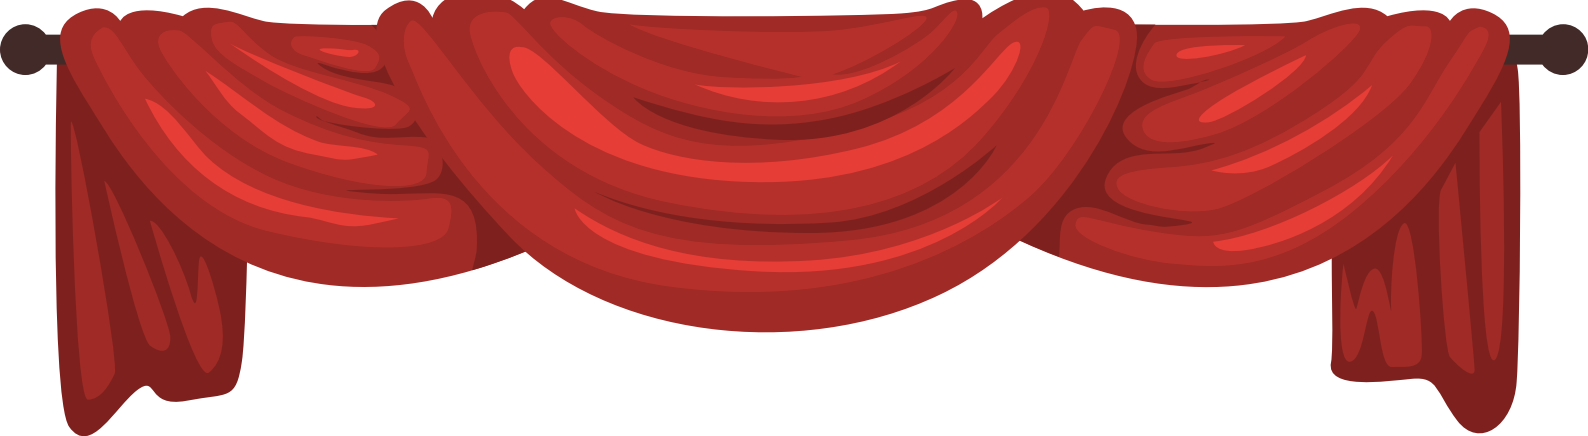

This special event reminded us all how learning becomes most powerful when parents and children grow together. The joyful participation of parents made the day extra special, strengthening the connection between school and home.

HALL OF FAME

COLOURING CONTEST WINNERS

LITTLE STARS OF COLOUR!

Our Colouring Contest was not just about colours—it was about confidence, creativity, and cheerful participation. While every child was a winner in effort and enthusiasm, we were thrilled to recognize those whose artwork stood out for their imagination, neatness, and vibrant use of colours.

Here are the winners from each grade who truly impressed us with their buzzing brilliance:

PLAY GROUP
G.NIRALIKA
V.AYLIN EMICA
J.FREDERICK JOHNSON

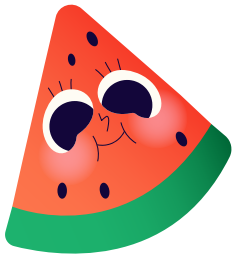

NURSERY	JUNIOR KG	SENIOR KG
V.MITHULYA ISHANVI	D.DHEERAV	M.S. NIRMAL
A.MARIA DIVINY	K. AADHIRA	A.M.PRAGATHI
D.NARAYANI	A.ANTONY CHRISHAN	B.M. OZARA BEATRIZ

All participants received cool cards, and our winners were celebrated with certificates and proud applause!

Catch the winning smiles and artwork on our social media!

TEACHERS CORNER

CREATING A POSITIVE AND LOVING LEARNING SPACE

At JUJU International Preschool, our teachers are more than educators—they are facilitators of curiosity, creativity, and confidence.

In the month of August, our teachers have beautifully transformed the classrooms with the theme “**My Family and My Home.**” Through this theme, children are learning the value of love, care, and togetherness—connecting classroom learning with their real-world experiences.

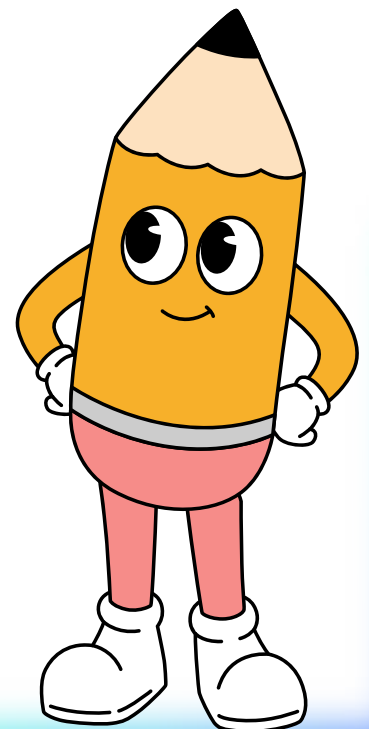

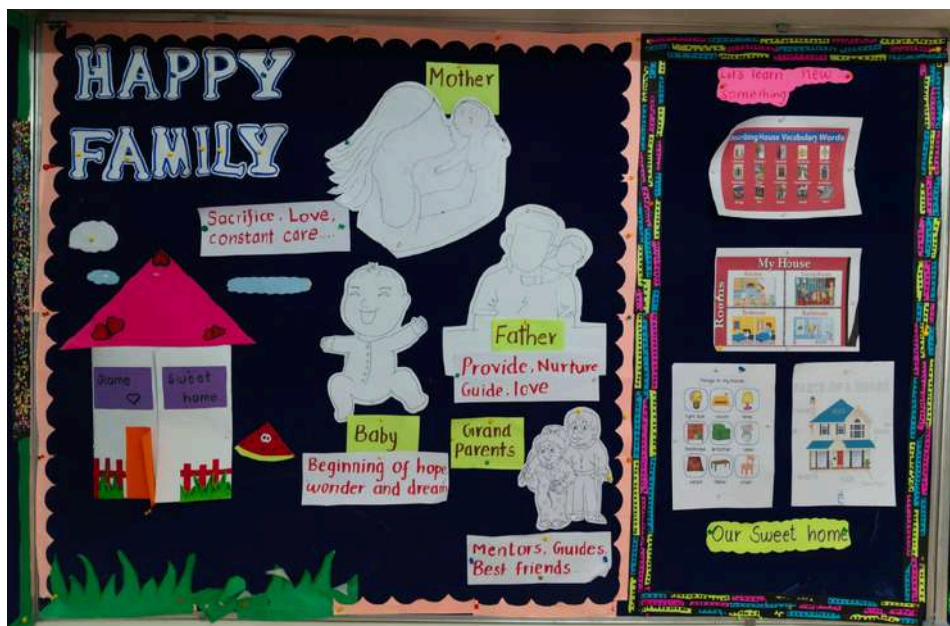

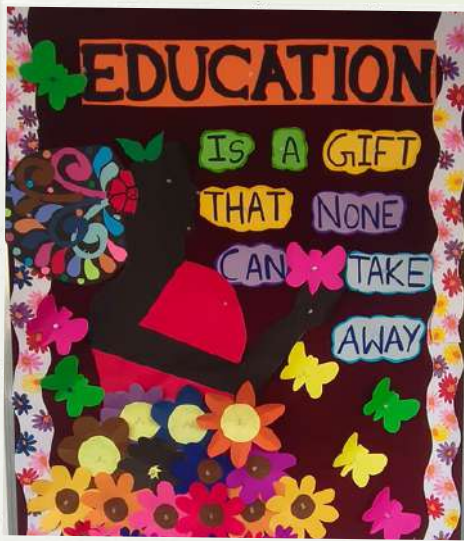

We are proud of our teachers who continue to inspire young learners and create a joyful classroom environment every day!

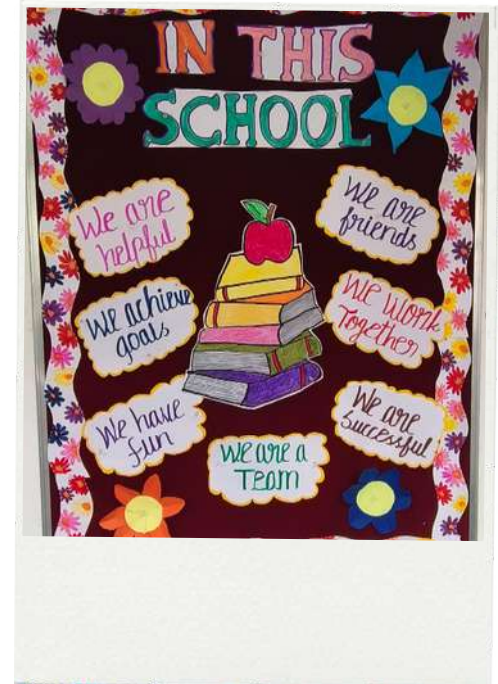

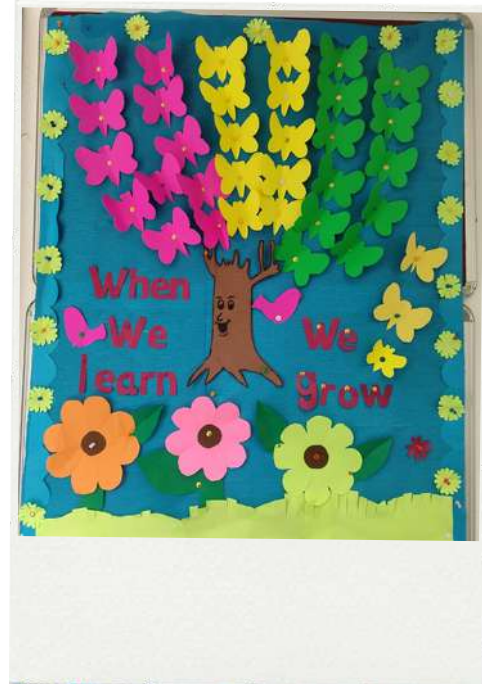

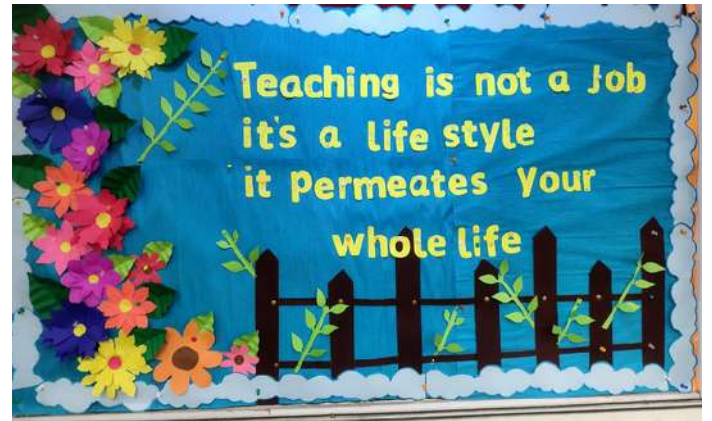

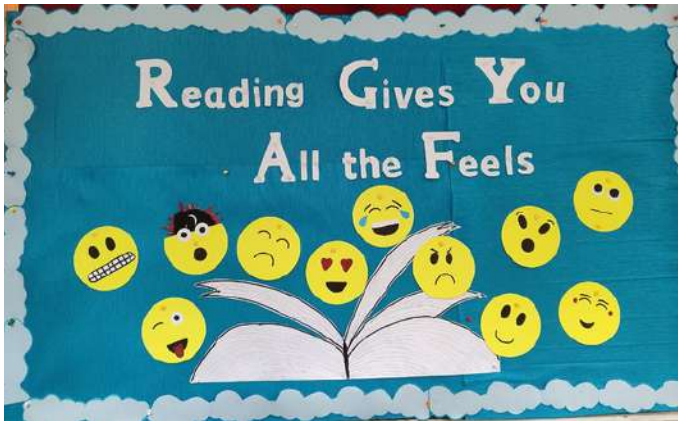

teach
Love
INSPIRE

In addition, our teachers took thoughtful steps to decorate the class notice boards with positive and motivational messages, aimed at building a confident mindset in our young learners. Through affirmations, inspiring quotes, and cheerful visuals, we are nurturing emotional strength and a can-do attitude in every child.

Our educators continue to work with passion and purpose, making learning meaningful and memorable for our little stars.
